Chairperson's Report

FOR THE YEAR ENDED 30 JUNE 2019

It is with great pleasure that I submit my first report as Chairman of the Board of the Wyong Rugby League Club Group. Unfortunately, I must commence on a sad note and acknowledge the passing during the last year of two of our life members in Kevin Pearce and Bob Holloway. Both served the club for many years, Kevin as a long-term Board Member and legal advocate and Bob as a Board Member, coach and selector. It would be remiss of me not to also mention the passing in October last year of one of the founding fathers of our club in Morry Breen. To lose three such valued devotees of the club within twelve months is extremely sad, and our condolences go out to their families and friends, as indeed do our condolences to any of our members who have lost loved ones during the year.

Our club cannot operate without the diligent efforts of our senior management and staff. An example of their dedication came to the fore during May when an asbestos issue was discovered at Wyong Bowling Club and the venue had to be shut down immediately for renovation. Without any complaint each of our management teams jumped in to do whatever was necessary to get the project underway and to get the club operational again as soon as possible. I am glad to report that the venue is fully operational again and thank the bowling members for their patience and understanding.

While on the subject of our management team, I am delighted to advise of a change in the structure that will become effective on January 1st next. As many of you would be aware, our CEO Michael Coghlan suffered horrendous injuries in an accident on his property some eighteen months ago and while his recovery has been remarkable, he still has a way to go. Ben Coghlan stepped into the breach as acting CEO in Michael's absence and although in a position where he did not know what the future held for his father, he made sure that the club continued to function, performing above and beyond the call. With this in mind, it has been decided that Michael will move into a newly created management position of General Manager Strategic Planning and Asset Management. The club industry is an ever changing one and it is vital that our future planning be well advanced, as indeed should management of our assets which now stand at approximately \$94 million. To accommodate the change, Ben will become the new CEO and look after the day to day running of the business. Ben's current position as Chief Operating Officer will become redundant with those duties absorbed throughout the management team. The change has been well received by the staff who now have certainty as to the senior management structure and was unanimously approved by the Board.

While the year has not set any records on the financial front, our performance has been most satisfactory in light of the difficult environment in which we operate and I refer you to our Chief Operating Officer's report for further detail. Our cash flow has allowed us to support many local sporting and community groups, detail of which can be found elsewhere in this report. While we have a legal obligation to donate part of our profit to the community under the Club Grants scheme, we also

continue to fund our charity arm, the Wyong Roos Foundation over and above the legal requirement. Our three major beneficiaries are Central Coast Kids in Need, the Bellbird Committee and the IRIS Foundation, all of which focus around the needs of children and their families, and I commend their websites to you for further information. As is the case with all our recipients, they are local, have nil or very little administrative costs and receive insufficient funding, if any, from other sources. The organisation of our Foundation is largely the responsibility of our marketing girls, Kristy Asimus and Helaina Kelly and I thank them for the wonderful job that they do.

Can I indeed on that note thank all of our staff on they way in which they conduct themselves and perform their day to day duties. I have received many comments from people I hardly know complimenting our staff on the friendly manner with which they have been received when visiting our venues. I have also gotten to know many of our staff personally while performing my duties during the last twelve months and I thank you all for your assistance and friendship. The fact that we as a club provide over 300 people with a livelihood is a source of great satisfaction, not only to me but to all our Board Members, and we see this as one of the most important functions we provide as a club.

To all who have been involved in the running of the many sporting groups we support may I say a big thank you. Sport as we know is integral to the soul of any community and is vital to the development and well being of our youth. It is the reason for our club's being and I commend the various reports contained herein for your perusal. Could I also thank the many sponsors who support our sporting groups, without you many of these clubs would cease to exist.

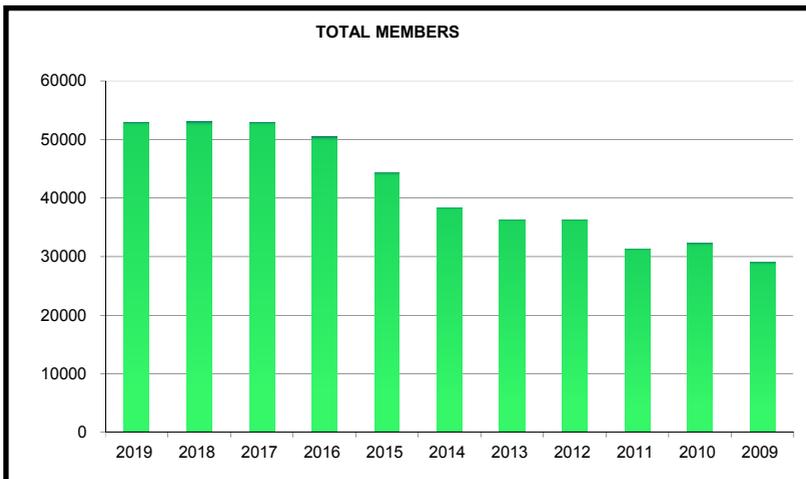

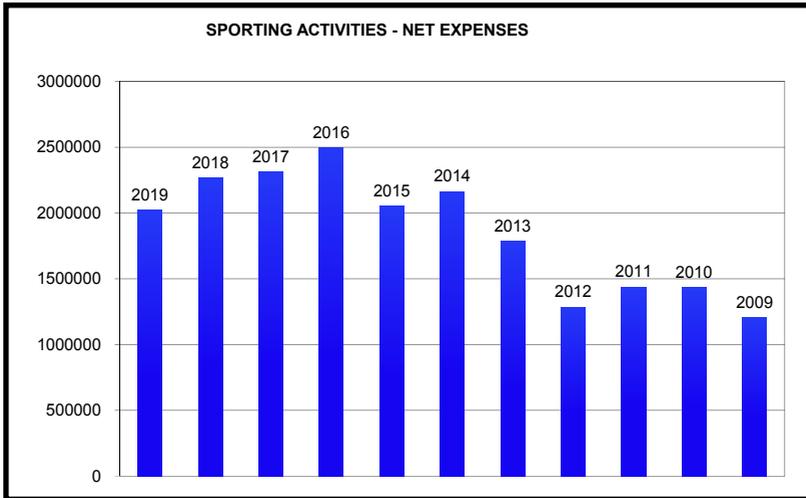

Finally, may I thank the Board of which I am proud to be Chairman. Each and every one of you has shown a deep commitment to the continued success of the organisation, with many of you sitting on various sub-committees to further the endeavours of various facets within the club. Our Board is united and fully supportive of the efforts of our senior management. Such unity can only see the club go from strength to strength.

Thank you to our members for your continued support and we look forward to providing you with quality product and facilities in the future.

Chief Operations Officers Report

FOR THE YEAR ENDED 30 JUNE 2019

I am pleased to report that our Group has had another successful and profitable year. Our Group achieved an operating profit before sporting expenses of \$3,564,497.34 whilst spending \$2,022,912.51 on sport for the financial year. An excellent overall result.

Our balance sheet shows an increase in total assets from \$89,304,133 last year to \$93,953,380. Net assets have increased by \$5,640,563 to \$82,597,363.

Our fixed costs continue to increase including power, gas, wages, services, food and beverage. However, we have minimized price increases to ensure our members continue to receive the cheapest food and beverage in the local area.

The Group's decline in revenue during the 2018/19 FY was related to the Group no longer operating any of our venue's catering operations inhouse, as well as a decline in net gaming revenue compared with the previous year.

Consumer spending tightened during the year due to several factors including uncertainty in the economy, elections, trade wars and interest rates to name a few. We have continued to reinvest into our venues through upgraded facilities ensuring our members and visitors are presented with modern, safe and friendly environments.

I would like to thank all our staff for their ongoing dedication and service to our members and visitors. I thank our experienced and driven management team for their support and mentoring of our staff throughout the Group.

We are very proud to have such a diverse mix of staff talent spread across 8 licensed venues servicing so many areas including food, beverage and gaming staff, customer service staff, courtesy bus drivers, green keepers, cellar men and gardeners just to name a few.

May I also thank our Board of Directors, led by Chairman Bob Pettiford, we continue to work in an honest, open and transparent manner ever mindful of the many challenges we face and the extensive list of laws we must abide by.

Our Wyong Roos Foundation has continued to grow and assist more and more people in our community. We have been a major contributor to the Central Coast Kids in Need, IRIS Foundation and Bellbird Committee along with several others. We also assist several local primary schools helping support their breakfast clubs amongst other things.

We continue to be one of the largest employers on the Central Coast with approx.

320 employees. Our staff, their families and our local contractors rely on our continued success.

I refer members to our Community, Rugby League, Soccer and Bowls reports for details on their community and sporting activities and results.

Finally, on behalf of all our staff, our management team and our Directors I thank you, our loyal members for your continued support of all our local clubs.

Community Support & Development Report

FOR THE YEAR ENDED 30 JUNE 2019

The Wyong Rugby League Club Group is pleased to be a contributor to its many local communities and the organisations within them. It is a core focus of the Group to continue to assist the organisations that touch and assist the members and communities of your clubs.

The support your Club provides the community includes financial support such as cash donations, grants, sponsorship, the provision of goods, facilities and other resources. In the financial year ended June 2019, your Club provided a net spend of approximately \$3.3M on sport, grants and donations across all 8 venues. This equates to a community dividend of around \$62 per member. In addition to this financial support, your club spent over \$1.7M on social capital including members services, courtesy buses and free entertainment as well as providing over \$5.25M in discounts to members.

In the last financial year, the WRLCG provided ClubGRANT funding to local groups totalling \$654,263. With \$230,406 being provided in Category 1 funding your club supported 24 local projects. The supported projects cover a range of areas including but not limited to, youth services, homelessness, domestic violence, disability services, suicide prevention, mental health, stroke victims, cancer sufferers, rescue and emergency services, health promotion and community education services.

This commitment to investing in the community is one the Group is very proud of and will always remain a key focus of the WRLCG. In 2017, the WRLCG started the Wyong Roos Foundation with the objective of going above and beyond the legislative requirements and with a core focus on assisting those within our venue's local communities who need support but often fall through funding gaps.

This financial year saw significant growth of The Wyong Roos Foundation with the committee working hard to further make a difference within the local community. The Foundation continued to support various local charitable groups including but not limited to Central Coast Kids in Need, The Iris Foundation and the Bellbird Committee. The Roos Foundation donated a total of \$119,626.25 to these charities as well as a range of other causes who faced situations that aligned with the criteria originally outlined to ensure we remain true to our objective and focus.

It is important to note that when this Foundation was created, the core mission was to ensure that the groups and charities we align with are mainly run by volunteers with minimal or no overhead costs. Beyond the donations to these groups, the committee ensures they work closely with our Foundation partners, providing further support in terms of venues to host meetings with clients, event support, printing and design assistance, prize donations and more.

The Foundation is proud of what has been achieved in the past 2 years, however we are determined to further develop the involvement and assistance to our local

Community Support & Development Report (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

communities. With a current focus on development within local public schools through their Breakfast Club programs, ensuring children have access to that important first meal of the day. Over the past 12 months the Foundation has supported 4 breakfast programs with \$7867 in funding.

At the end of the financial year, the WRLCG employed over 300 staff and paid over \$14M in wages and continue to be one of the largest employers in the region. The positive contribution to the community that this employment provides should not be underestimated. The provision of stable and reliable employment to a community is as important or even more so than the sport and community donations your club makes. In addition to this are the many local businesses and contractors that your club engages with which further helps to provide employment. In the past year your club has spent over \$10M locally.

The full list of groups and organisations your club supports are on the next page, please take a look through the extensive list. WRLCG are very proud of the diverse range of community groups supported including big and small, amateur and professional, the well-known and the unsung.

Independent Auditor's Report

FOR THE YEAR ENDED 30 JUNE 2019

Opinion

We have audited the accompanying financial report of Wyong Rugby League Club Limited 'the Company' which comprises the statement of financial position as at 30 June 2019, statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the Directors' Declaration of the company.

In our opinion, the financial report of Wyong Rugby League Club Limited is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the company's financial position as at 30 June 2019 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards - Reduced Disclosure Requirements (including the Australian Accounting Interpretations) and the *Corporations Act 2001*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia; and we have fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Directors' Responsibility for the Financial Report

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements to the extent described in Note 2 to the financial report, the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise

Independent Auditor's Report (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

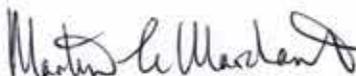

Independent Auditor's Report (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to the Concise Financial Statements

FOR THE YEAR ENDED 30 JUNE 2019

1. GENERAL INFORMATION

The financial statements cover Wyong Rugby League Club Limited as an individual entity. The financial statements are presented in Australian dollars, which is Wyong Rugby League Club Limited's functional and presentation currency.

Wyong Rugby League Club Limited is a not-for-profit unlisted public company limited by guarantee.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 2 October 2019.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

New Standards and Interpretations not yet adopted

The AASB has issued new and amended accounting standards and interpretations that have mandatory application dates from 1 January 2019 and will be applicable in the 2019 financial year. The Company has not opted for early adoption of these standards.

AASB 16 Leases – The revised standard removes the distinction between operating and finance leases for leases. The standard requires rights and obligations relating to most leases to be recognised on the balance sheet. The Company is in the process of assessing the impact of all leases and agreements currently in place.

AASB 1058 Income for Not for Profits – This standard primarily applies to income not accounted for under AASB 15. This standard establishes principles applying to transactions where the consideration to acquire an asset is significantly less than fair value principally to enable a not-for-profit entity to further its objectives and the receipt of volunteer services. The changes in revenue recognition requirements in AASB 1058 may cause changes to the timing and amount of income recorded in the financial statements as well as additional disclosures. This includes contributions of assets at less than fair value, peppercorn leases and volunteer services.

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB'), the and the Corporations Act 2001, as appropriate for not-for profit oriented entities.

Historical cost convention

The financial statements have been prepared under the historical cost convention, except for, where applicable, the revaluation of financial assets and liabilities at fair value through profit or loss, financial assets at fair value through other comprehensive income, investment properties, certain classes of property, plant and equipment and derivative financial instruments.

Critical accounting estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

Revenue recognition

The company recognises revenue as follows:

Sale of goods

Revenue from the sale of goods is recognised at the point in time when the customer obtains control of the goods, which is generally at the time of delivery.

Gaming machines

Gaming machine revenue is recognised net of payouts.

Membership

Membership revenue is recognised when it is received or when the right to receive payment is established.

Commissions

Commission revenue is recognised when it is received or when the right to receive payment is established.

Interest

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Rent

Rent revenue from investment properties is recognised on a straight-line basis over the lease term. Contingent rentals are recognised as income in the period when earned.

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Income tax

The directors are of the opinion that the company is exempt from income tax pursuant to section 50-45 of the Income Tax Assessment Act 1997. A private ruling was obtained from the ATO on 2 March 2009 confirming this exemption.

Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected credit losses. Trade receivables are generally due for settlement within 30 days.

The company has applied the simplified approach to measuring expected credit losses, which uses a lifetime expected loss allowance. To measure the expected credit losses, trade receivables have been grouped based on days overdue.

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

Inventories

Stock on hand is stated at the lower of cost and net realisable value. Cost comprises of purchase and delivery costs, net of rebates and discounts received or receivable.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

Investments and other financial assets

Investments and other financial assets are initially measured at fair value. Transaction costs are included as part of the initial measurement, except for financial assets at fair value through profit or loss. Such assets are subsequently measured at either amortised cost or fair value depending on their classification. Classification is determined based on both the business model within which such assets are held and the contractual cash flow characteristics of the financial asset unless, an accounting mismatch is being avoided.

Financial assets are derecognised when the rights to receive cash flows have expired or have been transferred and the company has transferred substantially all the risks and rewards of ownership. When there is no reasonable expectation of recovering part or all of a financial asset, its carrying value is written off.

Financial assets at fair value through other comprehensive income

Financial assets at fair value through other comprehensive income include equity investments which the company intends to hold for the foreseeable future and has irrevocably elected to classify them as such upon initial recognition.

Impairment of financial assets

The company recognises a loss allowance for expected credit losses on financial assets which are either measured at amortised cost or fair value through other comprehensive income. The measurement of the loss allowance depends upon the company's assessment at the end of each reporting period as to whether the financial instrument's credit risk has increased significantly since initial recognition, based on reasonable and supportable information that is available, without undue cost or effort to obtain.

Where there has not been a significant increase in exposure to credit risk since initial recognition, a 12-month expected credit loss allowance is estimated. This represents a portion of the asset's lifetime expected credit losses that is attributable to a default event that is possible within the next 12 months. Where a financial asset has become credit impaired or where it is determined that credit risk has increased significantly, the loss allowance is based on the asset's lifetime expected credit losses. The amount of expected credit loss recognised is measured on the basis of the probability weighted present value of anticipated cash shortfalls over the life of the instrument discounted at the original effective interest rate.

For financial assets measured at fair value through other comprehensive income, the loss allowance is recognised within other comprehensive income. In all other cases, the loss allowance is recognised in profit or loss.

Investment properties

Investment properties principally comprise of freehold land and buildings held for long-term rental and capital appreciation that are not occupied by the company. Investment properties are initially recognised at cost, including transaction costs.

Investment properties are derecognised when disposed of or when there is no future economic benefit expected.

Transfers to and from investment properties to property, plant and equipment are

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

determined by a change in use of owner occupation. The fair value on the date of change of use from investment properties to property, plant and equipment are used as deemed cost for the subsequent accounting. The existing carrying amount of property, plant and equipment is used for the subsequent accounting cost of investment properties on the date of change of use.

Property, plant and equipment

Land is shown at fair value, based on periodic, at least every 3 years, valuations by external independent valuers. The valuations are undertaken more frequently if there is a material change in the fair value relative to the carrying amount. Increases in the carrying amounts arising on revaluation of land is credited in other comprehensive income through to the revaluation surplus reserve in equity. Any revaluation decrements are initially taken in other comprehensive income through to the revaluation surplus reserve to the extent of any previous revaluation surplus of the same asset. Thereafter the decrements are taken to profit or loss.

Buildings and plant and equipment are stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Buildings	40 years
Plant and equipment	3 - 5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss. Any revaluation surplus reserve relating to the item disposed of is transferred directly to retained profits.

Intangible assets

Intangible assets acquired as part of a business combination, other than goodwill, are initially measured at their fair value at the date of the acquisition. Intangible assets acquired separately are initially recognised at cost. Indefinite life intangible assets are not amortised and are subsequently measured at cost less any impairment. Finite life intangible assets are subsequently measured at cost less amortisation and any impairment. The gains or losses recognised in profit or loss arising from the derecognition of intangible assets are measured as the difference between net disposal proceeds and the carrying amount of the intangible asset. The method and useful lives of finite life intangible assets are reviewed annually. Changes in the expected pattern of consumption or useful life are accounted for prospectively by changing the amortisation method or period.

Software

Significant costs associated with software are deferred and amortised on a straight-line basis over the period of their expected benefit, being their finite life of 5 years.

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

Gaming machine entitlements

Gaming machine entitlements are considered to have an indefinite useful life as a result of the expiry of the 10 year period initially indicated by the New South Wales Government. The company tests for impairment annually, irrespective of whether there is any indication of impairment.

Impairment of non-financial assets

Goodwill and other intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Borrowings

Loans and borrowings are initially recognised at the fair value of the consideration received, net of transaction costs. They are subsequently measured at amortised cost using the effective interest method.

Where there is an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, the loans or borrowings are classified as non-current.

Finance costs

Finance costs attributable to qualifying assets are capitalised as part of the asset. All other finance costs are expensed in the period in which they are incurred.

Employee benefits

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave, long service leave and accumulating sick leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled. Non-accumulating sick leave is expensed to profit or loss when incurred.

Other long-term employee benefits

The liability for long service leave not expected to be settled within 12 months of the reporting date is recognised in noncurrent liabilities, provided there is an unconditional right to defer settlement of the liability. The liability is measured as the present value of

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

Defined contribution superannuation expense

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

Goods and Services Tax ('GST') and other similar taxes

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

3. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors,

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

Allowance for expected credit losses

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent sales experience and historical collection rates.

Provision for impairment of inventories

The provision for impairment of inventories assessment requires a degree of estimation and judgement. The level of the provision is assessed by taking into account the recent sales experience, the ageing of inventories and other factors that affect inventory obsolescence.

Fair value measurement hierarchy

The company is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

The fair value of assets and liabilities classified as level 3 is determined by the use of valuation models. These include discounted cash flow analysis or the use of observable inputs that require significant adjustments based on unobservable inputs.

Estimation of useful lives of assets

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Goodwill and other indefinite life intangible assets

The company tests annually, or more frequently if events or changes in circumstances indicate impairment, whether goodwill and other indefinite life intangible assets have suffered any impairment, in accordance with the accounting policy stated in note 2. The recoverable amounts of cash-generating units have been determined based on value-in-use calculations. These calculations require the use of assumptions, including estimated discount rates based on the current cost of capital and growth rates of the estimated future cash flows.

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The company assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Impairment of property, plant and equipment

The company assesses impairment of property, plant and equipment at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Income tax

The directors are of the opinion that the company is exempt from income tax pursuant to section 50-45 of the Income Tax Assessment Act 1997. A private ruling was obtained from the ATO on 2 March 2009 confirming this exemption.

Employee benefits provision

As discussed in note 2, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

(i) *Classification of financial assets at fair value through other comprehensive income*
Financial assets at fair value through other comprehensive income (FVOCI) comprise:

- Equity securities which are not held for trading, and which the group has irrevocably elected at initial recognition to recognise in this category. These are strategic investments and the Club considers this classification to be more relevant.

(ii) *Equity investments at fair value through other comprehensive income*

On disposal of these equity investments, any related balance within the FVOCI reserve is reclassified to retained earnings.

In the prior financial year, the Club had designated equity investments as financial assets at fair value through profit or loss. They were presented as non-current assets as they were not expected to be sold within 12 months after the end of the reporting period.

Note 21 explains the change of accounting policy and the reclassification of equity investments from financial assets at fair value through profit or loss to at fair value through profit or loss. Note 2 sets out the remaining accounting policies.

(iii) *Amounts recognised in profit or loss and other comprehensive income*

During the year, the following gains/(losses) were recognised in profit or loss and other comprehensive income.

Valuations of land and buildings

The basis of the valuation of land is fair value. The land and buildings were last revalued on 30 June 2019 based on independent assessments by a member of the Australian Property Institute having recent experience in the location and category of land being valued. The directors do not believe that there has been a material movement in fair value since the revaluation date. Valuations are based on current prices for similar properties in the same location and condition.

21. CHANGES IN ACCOUNTING POLICIES

Impact on the financial statements

As a result of the changes in the entity's accounting policies, prior year financial statements did not have to be restated as permitted by the requirements of the Standard. As explained in Note 21(b) below, AASB 9 was generally adopted without restating comparative information. The reclassifications and the adjustments are therefore not reflected in the restated balance sheet as at 30 June 2018, but are recognised in the opening balance sheet on 1 July 2018.

The following tables show the adjustments recognised for each individual line item. Line

items that were not affected by the changes have not been included. As a result, the sub-totals and totals disclosed cannot be recalculated from the numbers provided. The adjustments are explained in more detail by table below.

The adoption of AASB 9 Financial Instruments from 1 July 2018 resulted in changes in accounting policies and classifications of the financial assets in the financial statements. The new accounting policies are set out in note 2 and 10 above.

The total impact on the Club's retained earnings as at 1 July 2018 is as follows:

	2019	2018
	\$	\$
Closing retained earnings 30 June - AASB 139	72,285,376	69,409,593
Reclassify investments from FVPL to FVOCI	(799,561)	-
Opening retained earnings 1 July - AASB 9	71,485,815	69,409,593

Classification and measurement

On 1 July 2018 (the date of initial application of AASB 9), the Club's management has assessed which business models apply to the financial assets held by the Club and has classified its financial instruments into the appropriate AASB 9 categories.

The main effects resulting from this reclassification are as follows:

	FVPL	FVOCI	Amortised cost (receivables 2018)
	\$	\$	\$
Financial assets - 1 July 2018			
Closing balance 30 June 2018 - AASB 139	5,569,112	-	519,716

Opening balance 1 July 2018 - AASB 9	-	5,569,112	519,716

Notes to the Concise Financial Statements (cont.)

FOR THE YEAR ENDED 30 JUNE 2019

- (a) The Club elected to present in OCI changes in the fair value of all its equity investments previously classified as financial assets at fair value through profit or loss, because these investments are held as long-term strategic investments that are not expected to be sold in the short to medium term. As a result, assets with a fair value of \$5,569,112 were reclassified from financial assets at fair value through profit or loss to financial assets at FVOCI and cumulative fair value gains of \$799,561 were reclassified from the retained earnings to the FVOCI reserve on 1 July 2018.

Drought Relief Project

FOR THE YEAR ENDED 30 JUNE 2019

Late last year the staff, caterers and patrons of the Wyong Rugby League Club Group engaged in a week of fund raising to provide some relief for farmers suffering great hardship due to prolonged drought conditions. This wonderful gesture resulted in \$20,000 being raised and your Board of Directors then recognised this achievement by donating another \$20,000 to the project.

After much research it was decided to distribute this money to farmers in the Upper Hunter region of NSW. Scone Lions Club and Scone & District CWA were selected to allocate the funds and were each presented with a cheque for \$20,000.

Both groups are distributing the money via “We Live Here Too” gift cards which can only be used in the local area for goods and services.

The CWA is distributing its cards with the help and advice of the local Financial Counsellor, Land Service Officer and schools.

The Lions Club is using its own resources to determine recipients and have teamed up with Woolworths to provide food hampers as well.

Some examples of the hardships some farmers are facing are:-

- A farmer, in seeking help said “I can handle being hungry but could I have some money so I can feed my dogs.”
- A very embarrassed lady asked for help to buy some drinking water as the supply on her property had dried up.
- Water is so scarce that bottled water has now been included in the Woolworths hampers.

Thank you to everyone who participated in this project. It has helped many people in need and they are very grateful for your care and effort.

Wyong Rugby League Football Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Rugby League Operations experienced a degree of change in Season 2019. There was both growth and contraction in the Club's program, but the necessary adjustments were made to once more drive the game forward in this area and deliver the success expected of Wyong Roos.

Wyong Roos Juniors

Wyong Roos Juniors fielded 37 teams in age competitions from Under 6 to Under 18 in 2019 including a team in the very first CCDJRL Under 16 Girls Tackle competition. The Club has reversed the recent trend of decreasing registrations across football codes, boasting 529 players in 2019 as opposed to 473 in 2018. The 2019 registrations include 73 females (an increase of 40).

Female participation continues to gather momentum. Wyong Roos won the CRL Central Hunter Women's 9's competition for Under 18's in December 2018. Twelve girls from that squad found their way to represent Newcastle Knights in the 2019 NSWRL Tarsha Gale Cup competition. Wyong Roos Under 14 & 16 Ladies League Tag teams qualified for the CCDJRL 2019 Finals with the Under 14's progressing to the Grand Final.

The focus of the junior program is participation, enjoyment and skills acquisition. The Club's overarching philosophy is to develop in its players a mindfulness of community as well as a love and respect for the game and the Club. Wyong Roos fielded 22 teams in CCDJRL competition formats in 2019 and of those 22 teams, 18 qualified for Finals; eight advanced to Grand Finals resulting in four Premierships.

Wyong Roos Seniors

The Ladies League Tag team finished the home and away season in second position. The team advanced to the Grand Final and secured its first ever Premiership in this competition.

Open Age was both Minor and Major Premier in Season 2019.

Reserve Grade entered the Finals Series in third position and was eliminated in the Preliminary Final.

1st Grade won the Minor Premiership, qualified for the Grand Final but was defeated 16-14 in the decider.

CCDRL did not hold an Age competition in Season 2019.

One method of measuring a club's success is the number of representative players produced. Season 2019 saw a continuation of Wyong Roos in representative colours.

Coaching Staff

Led by Head Coach Tony Clarke, there was a shift in focus this season from the elite level of Intrust Super Cup to the development of local juniors and the promotion of the CCDRL competition. The senior coaching staff and players provided tuition for

junior teams during both junior and senior training sessions. Junior teams conducted video sessions utilising the senior facilities and the Under 16 & Under 18 players underwent baseline testing and were provided with weight programs, tutelage and access to the gym. Much of the Club's success can be traced to the quality of coaching and other resources available at Wyong Roos and the relationship enjoyed by the coaching staff with the junior and senior playing groups.

Support Staff 2019

The volunteers and support staff are the heart and soul of any rugby league program and are essential to the functioning and continuity of Wyong Roos. The NRL regularly raises the threshold for involvement in the game and the Wyong staff continue to meet and surpass the standard. Their level of commitment and expertise is remarkable. Their patience and good humour virtually inexhaustible. The contributions of team managers, Gavin Wand and Scott Purcell (1st Grade), Greg Menken (Reserve Grade), Janelle Heaven (Ladies League Tag), Frank O'Brien and Graeme Kelly (Open Age) are infrequently recognised, but fundamental to the success of Wyong Roos. The services provided by our many blue and yellow shirts are critical to keeping players on the paddock and performing at their utmost. The real time feedback from statisticians, Darrell Smith and Cam MacKenzie, is invaluable.

Mel Dennis and Andrew Alexander (Physio Connex Tuggerah) have maintained the very high standard of injury diagnosis and treatment that has been the hallmark of the football program in recent years. The Club prides itself in providing a service to players equivalent to anything in the NRL and our medical people, Craig Davis, Quintin Greacen, Richard Gardner, Jake Callister and Chris Hunter are integral to that service, with player welfare the absolute priority of the Club.

Football Committee

The Club is defined and will always be defined by its rugby league program. While the business side of the organisation evolves, one facet remains immutable; the association of rugby league people is at the very centre of the organisation gives it both energy and oxygen. The football program is extensive. The planning and management of such a program demands hard work, sensitivity to the issues and an overarching love for the game. The responsibilities are large and consuming and could not be done as effectively without the contribution and counsel of the Football Committee. I am indebted to Committee Members Bob Pettiford, Paul Andrews, Joey Smith, Peter Shelswell, Tony Quinn and Chairman Gavin Wand for their patience, insight and enthusiasm.

Junior Committee

I would be remiss not to acknowledge the efforts of the Junior Committee. The demands of Junior rugby league within a club of this size are manifold and unrelenting. The issues which arise can be complex and confronting. The workload is immense. Wyong Roos Juniors is most fortunate to have President Josh Teale, Secretary Belinda Hill and Committee members Matt Coombe, Shane Hilder and

Dean Taylor administering its present and shaping its future. The Committee has worked effectively and always out of a sense of devotion to our local youth. Wyong Roos owes these people a debt of gratitude.

Media

Wyong Roos had 2187 followers on Twitter and 1073 followers on Instagram (as at 8 October 2019).

The Wyong Roos Facebook page currently has 5,767 followers.

The Wyong Roos App has 1477 subscribers.

During the period November 2018 - September 2019, the daily average visits to the senior website (www.wyongseniorroos.com) peaked at 199 (March 2019), and the total "hits" for that period was 1,211,283.

During the period November 2018 - September 2019, the daily average visits to the junior website (www.wyongjuniorroos.com) peaked at 189 (February 2019), and the total "hits" for that period was 923,714.

Morry Breen Complex

The Club renovated the toilets and change rooms located beneath the Community Centre and upgraded the lighting on Morry Breen Field during Season 2019. The Complex was used by the Club's 37 junior teams and four senior teams for training, trial games and competition matches, as well as by Central Coast Roosters for pre-season training, trials and home games in both NSWRL and CRL representative competitions. Roos HQ also hosted;

- Penrith Panthers NRL Pre-Season Camp
- Broken Bay Secondary Schools Sports Association Rugby League Gala Day
- Newcastle Knights NRL Pre-Season Camp
- North Sydney Schools rugby league representative trials
- Aboriginal Education Consultative Group Touch Football
- NRL Central Coast Primary Schools Under 12 Competition (Terry Wand Shield)
- Lake Munmorah High School Rugby League Gala Day
- NRL Central Coast Primary Schools Under 10 Competition (Morry Breen Shield)
- NRL All Schools Grand Finals
- NRL Sports Trainer courses
- NSWRL Pioneers Rep Team training
- NSWRL Clinic

- NRL All Schools U14 Grand Final
- NZ Warriors ISP training
- CCR Ladies League Tag Rep training
- Sydney Roosters Junior Holiday Camp
- Central Coast United Aboriginal Sports Association rugby league teams training
- NSWRL “Blues Way” coaching seminar
- CCDJRL Preliminary Finals
- CCDJRL Mod, Div 2 & Div 3 Grand Finals
- Wadalba Community School Sports Day
- Lake Munmorah High School TSP rugby league trial
- CRL U14 & U15 Country Championship Grand Finals
- NSWRL Indigenous Development Clinic
- Tuggerah Lakes & Brisbane Water Commands Police Charity Sports Day
- U14 & U16 CCDJRL Women’s Tackle competition

The Morry Breen complex is a valuable community resource and critical to the sporting life of the broader Central Coast. The Club makes the facilities available free of charge as part of its charter to promote sport in the region. Events held at Roos HQ provide an outlet for youth, but simultaneously bring people to the area and provide a financial stimulus for local businesses. The investment made by this Club in its facilities (which is substantial) both directly and indirectly benefits Club members and the people of this region.

Development Programs

Wyong Roos has partnered with Wadalba Community School, Gorokan High School, Wyong High School, Lake Munmorah High School, Narara Valley High School and Lisarow High School to provide practical and/or financial support for their rugby league programs. Development Officers Mitch Williams and Sarah Dimech visit these schools on a regular basis to assist the teaching staff and provide expert tuition for the students.

The Club in 2019 made available to each Central Coast junior club without affiliation to a licensed leagues club the sum of \$10,000 to assist with operational expenses.

By way of sponsorship WRLCG also directly assisted Berkeley Vale Panthers Premiership winning Women’s Tackle team, Toukley Hawks and the Ourimbah-Wyoming Magpies.

Each new season brings fresh challenges and change. Players and staff move on to other clubs or drift away from the game. Every new season is different; 2019 was no exception and neither will 2020. Wyong Roos will approach the new season looking to do things that little bit better and with the best interests of the game at the forefront of the Club’s planning.

Wyong Leagues Dart Club Report

FOR THE YEAR ENDED 30 JUNE 2019

The 2018-2019 year has proved to be another successful and enjoyable one for the members of the WRLC Darts Club. Throughout the year we have continued to have strong support for the Friday and Saturday Social Games. This year we have a total of 36 financial members who have contributed to our games being enjoyed by all.

We are grateful to the management team of WRLC for providing us with an alternative venue for occasions when the auditorium is unavailable.

We held our Presentation Day at Wyong Leagues Club in November 2018. Everyone loved the change of format. It turned out to be a positive move as it offered the opportunity to play darts following on from a great lunch and presentation.

WRLC dart club members are strong supporters of participating in the NSW State Dart Championships. Again this year we had players representing the WRLC for the NSW State singles, doubles and four's teams for the men. We offer all our players congratulations on their efforts in these championships.

The following WRLC dart club members represented our club this year:

- Carle Ward, John Hellyer, Colin Young & Ken Lambert in the State Fours.
- Other members who participated in State Darts Competitions: Kylie Johnson, Warren Gibson & Luke Hudson
- Luke Hudson was again selected to Represent NSW in the National Championships held in Moama NSW. His team made it to the top 8 in the doubles and overall NSW finished 5th. Well done to Luke and his team.
- Luke also played in the Sydney Cup against other well-known players, including two from England. Luke won the Cup outright. Congratulations.

Our Annual Darts Club Championships were held in April, May & June. The results for 2019 are:

Championship	Winners	Runners Up
Ladies Singles	Julie Leigh	Margaret Harris
Men's Singles	Warren Gibson	Tommy Bridge
Women's Doubles	Belinda Deaves & Jai Lambert	Margaret Harris & Jean Hill
Men's Doubles	Tommy Bridge & Peter Micallef	Ken Lambert & Vince Marinello
Mixed Doubles	Kylie Johnson & Carle Ward	Ned Madsen & Tommy Bridge

Social dart games are held on Friday and Saturday at one of two locations: The Leagues Club or Canton Sports Club, (dependent on whether there is another function taking place in the auditorium). Singles are played on Fridays and drawn doubles are played on Saturdays. Voucher prizes are awarded for the various winners of the day. Everyone is welcome to play social darts. We are keen for new members to come along and join our darts club.

Wallarrah Bay Indoor Bowls Report

FOR THE YEAR ENDED 30 JUNE 2019

Once again we have reached the end of another fantastic year of bowling. We have had lots of outdoor activities, bbqs, day trips, and lunches.

Our Christmas party was a huge success, we went to Shorethyme at Norah Head. We pay for fully financial members, visitors must pay for themselves. I'm sure our members appreciate what we do for them, and most of this is due to your support of our group.

We have travelled by train to Woy Woy a couple of times and bought our bowlers their lunch. It's a very enjoyable day out, visiting op shops on the way. Plenty of bargains to be had.

Easter, Anzac day and Australia day our bowlers take the chance to dress up and decorate their tables. Prizes are given for best table and costume.

Wyong Leagues has been one of the venues where we have had dinner, pretty good value and good food.

We recently had a bbq at Budgewoi, all our members pitched in and helped to prepare the salads and cook the meat.

Every six weeks we have a fun night, we offer six egg & bacon trays for members to win as well as having lots of laughs.

Our prize money every night is \$70, that is for the winning bowlers and two raffle prizes.

We have managed to get a few new members this year due to advertising in local papers. Of course getting them is half the battle, we have to keep them interested as well. Whenever we do have new people our existing members really go out of their way to make them feel welcome.

Our welfare officer makes sure that we all receive birthday cards plus get well cards when we are sick.

Most nights when we arrive, the bowling carpets are out ready to be rolled. The tables and chairs are moved in preparation for bowling. We cannot thank your staff enough for all the assistance we receive.

We really do appreciate the support that we receive from Wyong Leagues Club, without it we would really have a struggle on our hands.

Budgewoi Football Club Report

FOR THE YEAR ENDED 30 JUNE 2019

The 2019 football season was a successful one for the Budgewoi Football Club (BFC) with the club achieving some outstanding results in both the Junior and the Senior competitions. In addition BFC implemented several new strategies and programs to improve the overall functioning of the club and develop each player's skill level. The BFC Junior Vice President was Trevor Wood who did an outstanding job with the junior teams and communicated brilliantly with all parents of kids at the club. The Senior Vice President was once again Samuel Willmott whose hours of dedication to the senior teams at training and on game day it a pleasant experience for all Senior players. The Technical Director role was shared in 2019 with Trevor Wood and Wayne Clark ensuring a fair trail process for all Junior players.

Junior Football

In total there were 434 Junior players registered with BFC of which there was 81 female players, a record for the club. These players made up 43 teams registered in the Central Coast junior Football competitions. Seven of these teams made the semi-finals and 4 were crowned grand final winners, the U11A's, U11D-2, U12A's and U15B's.

The BFC Junior committee implemented the Club Coaching Committee Program with Central Coast Football and Football NSW. One of only 8 clubs to do so. This program saw the introduction of a coaching panel within the club for each age group. Coaches and Managers were also awarded throughout the year with appreciation BBQ's in an attempt to keep them at BFC long term. As a further incentive to keep good people at BFC for the years ahead, BFC invited the coaches of the Grand Final winning teams to attend the annual Chairman's dinner, this was received very well.

Former A League and U23 Australian goalkeeper, Ben Kennedy was welcomed to the club as goalkeeper coach. This not only gave our young talented goalkeeper's a high level of coaching bit it also generated plenty of interest from people inside and outside the club. Moreover, it has attracted goalkeepers now looking to join BFC for the first time in 2020.

BFC implemented a new grading process in 2019. In doing so this allowed players to demonstrate their abilities as an individual and in a team environment. There was an independent assessment from 5 separate grading BFC members who ensured each players potential was realised. This proved successful as only a handful of players were moved up or down a grade post pre-season trial games. This grading process was spearheaded by our Technical Directors, Trevor and Wayne.

Senior Football

BFC fielded 13 senior teams in 2019. There were 2 under 18 teams, 5 all age teams, 3 over 35 teams, one of which played in the first Friday night competition for Central Coast Football, a women's all age team and of course our first and reserve grade teams.

Budgewoi Football Club Report Cont'd

FOR THE YEAR ENDED 30 JUNE 2019

The all aged 6 team had the most outstanding season winning the Grand Final at Plum Park. In doing so they secured BFC Senior's only silverware for the year.

Our first grade team had a mixed season with some brilliant results against some of the top teams but unfortunately at times struggled to beat some of the not so fancied teams. Consistency comes with maturity and with such a young squad and much talent coming through the grades BFC future appears to be bright.

Congratulations to our reserve grade team who won their way into the grand final in 2019. All involved had an outstanding season. Unfortunately the lads fell at the final hurdle but had a great season all the same. Well done boys. Congratulations also to our Men's All Age 2 team, making the grand final is an excellent achievement.

BFC would like to thank our major sponsors for the 2019 season. Ray White Real Estate, The Good Guys, Star 104.5, Vili's Pies and the Wyong Rugby League Club Group. Your generosity assisted in giving our Junior and Senior players a fantastic and enjoyable season.

Personally I would like to thank Trevor Wood, Samuel Willmott and Wayne Clark. By donating so much of your valuable time, many players, children and adults alike enjoyed a memorable season with BFC. To the many other volunteers who have been fundamental in the running of BFC for many years, thank you again. The club would not survive without you.

I would also like to thank Haydn Appo who works around the clock to ensure the relationship between BFC, Wyong Rugby League Club and Central Coast Football runs as smoothly as possible. BFC is lucky to have a person directing the club that has such regard for the Club's history but also a foresight for the future of the club.

Finally, I would like to encourage all players and volunteers to return to BFC in 2020. There are some exceptional people within our club and I am proud to work with you.

Anthony Newell
BFC President

The Bay Bowlers Report

FOR THE YEAR ENDED 30 JUNE 2019

It has been another great year for the Bay Bowlers. As the re-elected President, I wish to thank our outgoing committee members: V.P. Faith Wathelet, Secretary Kerry Dalton and Welfare Officer Margaret Harrison. I would also like to welcome to our committee several new members: Secretary David Marr; P.R. Jeff Cooke and Joel Nouws taking on the role of Social Secretary. Sue Robb, formerly Social Secretary, takes on V.P. role and May Lysaght has taken on the role of Welfare Officer.

With the renovations having to be carried out at the Wyong River B.C., we have had to make other arrangements for our regular Monday bowls activities. But everything is nearly back to normal with our return to W.B.C. on 19 August. During this time of refurbishment, we were able to play most of our games at Canton Beach B.C. and one game at Bateau Bay B.C. I would like to thank all of the staff at these clubs for their help and support during these difficult times. Subsequently our club championships are a bit behind schedule but we hope to catch up a.s.a.p.

The Men's Singles Championship was able to be completed despite the rain interruptions and changes of venue. Congratulations to Bob Burns for winning the Men's Singles defeating Doug Roffey.

Despite the disturbance to our home base at W.B.C., membership has continued to grow with around 174 financial members as at 30 June while still receiving new applications every week it seems.

During the last 12 months we have had our usual annual trip away. This time it was a long weekend at Tea Gardens and a great time was had by all who went. Then in April Bay Bowlers celebrated our 40th anniversary with a luncheon which was attended by a large number of our current members plus a number of our past Presidents. I can safely say that we all had a wonderful day.

Also during the year we have held a number of our sponsored bowls days: Creightons, Road Runners and Retire Australia (the 'village' people). All of these days were well attended. A group of 20 plus players travelled to St Johns Park and, at a later date, 50 plus players travelled to Gwandalan for a great day of bowls and socializing with likeminded bowlers. Similarly, we also took a bus ride up the M1 to East Maitland on a sunny Sunday with around 55 Bay Bowlers on board for a relaxing day of bowls and a splendid luncheon.

Our Christmas Party last year, held at WRLC, was well attended and enjoyed by all. We are now looking forward to this year's end of year party.

In closing I want to thank Wyong Rugby League Club for all of their help and support over the last 12 months and hoping for their continued support into the future.

Jim Fuller
President

Wyong Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Our year started on a high, with Wyong Men's Bowling Club winning the 2018 Central Coast (Zone 15) grade 5 Pennants flag in August. We then travelled to Kiama to contest the State play-offs, but fell short by ½ a point to South West Rocks in our sectional.

A great number of members and their partners travelled to Kiama and their support over the weekend was much appreciated.

Socially we had a number of events, starting with our weekend to Goulburn for the annual interclub challenge, this was followed up with a trip to Bellbird Bowling Club in December. Macca Then organized a cruise to Palm Beach, busing to Ettalong with Road Runner before boarding Fantasea Ferries for lunch at Palm Beach RSL, where a great day was held by all.

Our Presentation Night was held in November, where both Men's and Ladies Championships were presented to those who attended. Carol Sternback also presented "The Carl Sternback" Graded Pairs Trophy to brothers Mark and Richard Wheatley.

The New Year saw the start of our Championships and preparation for the pennant season. Championship Winners for 2019 were as follows:

Major Singles	Stephen Elliott.
Major Pairs	Mark Wheatley and Wayne Hesling.
Major Triples	Mark Wheatley, Pat Reed and Stephen Elliott.
Major Fours	Mark Wheatley, Pat Reed, Ray Wheatley and Stephen Elliott.

In 2019 Wyong fielded 6 Grades in the Pennant season - Grade 1, 3, 4, 5, 6 & 7.

A Good season was had by all Grades and with only 2 matches remaining, all grades were highly positioned. Unfortunately with a double header to finish the season, it was not the finish we wanted and all missed out on a final placement.

With our Club closed from May to August for renovations I would like to thank all members for their support and understanding during this time.

On our return to the Club the Committee decided to donate our "wrong Bias "money collected over the year to Camp Breakaway. I was pleased to present Denise Pastor from Camp Breakaway with a cheque for \$500.

All the very Best for the year ahead and a Thank you to my Committee and WBC Staff.

Wyong Women's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

After a successful bowling year, which ended a little earlier than expected due to the Club closure on May 26th for asbestos removal, the Wyong Bowling Club ladies would like to thank the Wyong Rugby League Group for their continued assistance and support. Our thanks go very much to Sue Manning and Bar staff for everything you have done for us, not forgetting the Bistro staff for your hard work. Our thanks also go to our wonderful Greenkeeper, Kim Smith, his assistant Brock also to our apprentice Wesley. Our greens are a source of pride to everyone at the Club. Our thanks also go to the Men's Club for their assistance, support and friendship.

Donations were made this year both to Wyong Hospital from our Charity Day and Bowls for others. Our Club raised a large amount of money aided by Craft stalls for our Biggest Morning Tea function which was very successful. Thank you to all who supported us.

At the moment our membership stands at Some older members have resigned and others have transferred to other clubs. Our deepest sympathy goes out to members who have lost loved ones.

As in past years in November, we hosted children from St Cecilia's Primary School for one hour per week over five weeks in coaching classes and both the children and those adult members who assisted had a very enjoyable time. You never know, these classes may lead to some budding future bowlers.

Teams from our Club competed in the District Singles, Senior and Open Pairs, Triples and Fours. We were also represented in the Hetherington Trophy, and the Pink Ribbon Cup for Breast Cancer. There are always a large number of teams entered in these competitions from all over the Central Coast each year and our Club is well represented every year.

In August The Nepean Trophy was played and we were represented by Sharon Croker and Judy Wheatley.

In November the Rose Bowl Trophy was played and Sharon Croker, Judy Wheatley, Barbara Jansen and Sue Manning represented our Club. Well done Ladies.

Carol McCleer played in the State Champion of Club Champions at Asquith Bowling Club this year and played very well.

This year Wyong Women's Bowling Club entered two sides into Pennants and were thrilled that our Grade 3 side won their way through to the Pennant Play-offs. Although they all played well they didn't progress to the Regional and State Play-offs. Congratulations to everyone and a big thank-you to those ladies who manned

the bowls office and provided us with morning tea. All very much appreciated.

Our own club championships were well supported with the results:-

Major Singles Champion: Carol McCleer

Major Pairs Champions: Marilyn Last and Sharon Croker

Major Triples Championship: Still to be held due to Club closure

Major Fours Championship: Julie Coulson, Eileen Fitzgerald, Sharon Croker and Carol McCleer

Minor Singles Championship: Darelle Steedman

Minor Pairs Championship: Kerry Dalton and Cheryl Wishart

During the year several other special days and tournaments were run including the Baker Trophy and Frewin Trophy. Our Roo and Joey and Versatility 4's have not been held so far again due to the Club closure. We also played our annual competitions against Lemon Tree Passage at Lemon Tree Passage and Wyong won – a lovely day and also Kurri Kurri who played us at Wyong but they were just too good and won on that day. We also played our annual competition against Wyong RSL. We had a lovely day but Wyong RSL won. However there is always next year.

In October Wyong Men's and Ladies' Clubs took part in 6 Club Friendship weekend which was held at Goulburn City. Two days of great games and fun. Lovely weather but very cold on the Sunday. Wyong came 4th. A lovely time was had by all.

Finally we must pay tribute and give special thanks to our Sponsors, the Creighton's Group and the Wyong Rugby League Club Group, whose continued support is very much appreciated.

Margaret Harrison
President

Toukley District Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

I would like to thank our Greenkeepers Jason and Luke for the conditions of our greens. The boys are doing a great job and the greens are going from strength to strength. Whenever we have visitors, they always comment how good the greens are. Due to the conditions of our Green's we have been approached by the Zone to host their events and this year we have held the Rookies Singles, Veteran's Day and the President Reserve Singles.

This year we fielded 3 Pennant teams, in grades 2, 5, and 7. We had mixed results but, in all grades, we proved to be competitive. I'd like to thank all the members who participated making this an enjoyable season.

Our weekly bowling numbers have been consistent throughout the year for Wednesday and Friday social bowls. We had 1970 players on Wednesday's and 2070 on Friday's with a total of 4040 on the greens. In addition to our mid-week afternoon bowls we have Tuesday Twilight bowls. This has been attracting great numbers with 25 to 35 bowlers each week. We play 15 ends of fun with a slightly different format. Due to the consistent numbers this enables us to run this initiative all year round, moving the starting time to suit the seasons.

We congratulate this year's Championships' winners:

- Major Singles: Rick Orchard
- Major Pairs: D Derrick, A Parkinson
- Triples: J Swanson, D Derrick, A Parkinson,
- Fours: S Runge, M Talbot, A Parkinson, D Derrick

Throughout the year we had a number of BBQ's before social bowls, as well as lunches for Presentation Day, Pennant Participation Day, Veteran's Day and Xmas in July when the Prawns and Chickens were plentiful. I would like to thank our Treasurer Allyn Coggan for his culinary organisational skills making these days a great success.

The second week of September 2018 we held our Prawn Run. This is a two-day tournament that attracted 90 bowlers from around the state. We were lucky to have the Commonwealth Games Singles winner - Aaron Wilson and Australian players - Ray Pearse and Corey Wedlock playing. As the name of the tournament suggests the Prawns were plentiful. The event was a great success for our club and we are now preparing for this year's event beginning on the 14th September this year which has \$4000 prize money. Aaron and Ray have registered to play again this year.

President:

Following our AGM we have a new President for our club in Peter Hamill. Peter has many years on the greens and is highly regarded by all clubs on the coast.

Toukley District Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

I must thank our outgoing President Michael Talbot. Michael has been our President for the past 4 years and took on the role when things in our club were not as good as today. Under Michael's leadership things have turned around for the better and we are a happy group of bowlers with the club attracting new players.

Michael decided to step down from the role this year and I wish him all the very best in the future.

I would like to finish this report by thanking Wyong Leagues Club for their continued support and the management and staff at Canton Beach Sports Club for their friendly service and cooperation.

Canton Beach Women's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

The 2018 19 year has once again been a successful one for the Canton Beach Women's Bowling Club.

August saw us once again host the Grade 2 State Pennant Finals. Our ladies along once again provided support for the Bowlers ensuring that their competition was unimpeded from matters that they did not have to worry about.

Once again we entered a Team in the Grade 3 District Pennant tournament. The team of Chris Gooch, Judy O'Connor, Margaret Bruce, Margaret Leighton, Margaret Dixon, Karen Murry, Fay Tilley and Angie Zalewski performed very credibly coming in as runners up to Munmorah United. Our girls go out to enjoy themselves with no pressure but they do and did, played their best. The girls are aiming to finish higher in 2020.

We also entered teams in Hetherington Trophy, District Pairs and District Triples and are once again entering Teams into the Pink Ribbon Tournament at The Entrance and the Challenge Cup at Bateau Bay.

We were asked to host one section of the Women's District Triples when Wyong were unable to host the event.

In November this year Central Coast District Women's Bowling Association has allocated the annual Rose Bowl Tournament between Newcastle and Central Coast to Canton Beach. Another great opportunity to showcase our Club and the work we are able to undertake.

Our winners this year were:

Major Singles: Laurel O'Brien Runner up: Fay Tilley

Major Pairs: Chris Gooch and Angie Zalewski

Runners Up: Judy O'Connor, Marie Howard

Club Fours: Kate Richardson, Jewel Parkinson, Karen Murry and Margaret Dixon.

Runners-up: Carol Ullrich, Laurel O'Brien, Norma Hibbit, Marie Howard

Minor Singles: Margaret Leighton Runner up Kate Richardson

Minor Pairs: Judy O'Connor and Margaret Leighton

Runners up Clare Edwards and Margaret Bruce

Club Triples: Laurel O'Brien, Carol Ullrich and Norma Hibbit.

Runners-up Angie Zalewski, Kate Richardson, Jewel Parkinson

Consistency: Fay Tilley Runner up Margaret Leighton.

This coming year Canton Beach hosts the Inter Club Bowls Challenge on 12th and 13th October, Rose Bowl 8th November.

FOR THE YEAR ENDED 30 JUNE 2019

Our major aim this year is to regenerate Canton Beach WBC so we can continue to hold successful tournaments and to become more competitive but not to the detriment of our ladies enjoying their Bowls, without any pressure being placed upon them.

Goulburn Railway Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

It gives me great pleasure to again report on another very successful year. Our move from Bowls NSW to Bowls ACT is still being accepted by all of our club members as a resounding success.

What a terrific year we have had with our Pennants Teams. This year's Pennant Final was held at Queanbeyan RSL. The No3s were successful in obtaining the ACT State Flag in our second year of ACT Pennants. This Pennant was presented by Mr Fred Kuhn the President of Bowls ACT. The No5s led all the way to the finals only to be defeated in the Semi Finals. What a night we all had when that Pennant came home.

Congratulations go to all players that were concerned and special thanks go to the team of selectors.

This year our Men's Club celebrates its 70th anniversary after being formed in 1950. We continue to hold our numbers and have a very strong Men's Club.

Our greens are now in excellent condition and are being used for ACT State Championships. We have also now been selected to run the ACT State Champion of Champion Pairs. Our thanks go to Wyong Rugby League Club Group, the club Green Keeper Michael and Groundsman Justin.

Our thanks go to Scott and all of his staff for the assistance they provide. We also thank our new caterers for their continued service and quality catering.

On a sad note there are some members who have passed away and they will be missed. Condolences go to their families and friends.

Our Rose Tournament for 2019 was again a resounding success. Teams came from all over the state and nominations had to be closed in November for this February event. The organising committee and members involved again did a wonderful job. This year's Rose Tournament will be our 25th Anniversary Tournament.

Congratulations go to our Championship Winners over the past 12 months:

Major Singles Champion - Keith Gray

Minor Singles Champion - Matt Dubos

Major Pairs Champions - To be completed

Minor Pairs Champions - Chris McCullen and Justin Hawkins

Triples Champions - Reg Thoms, Chris McCullen and Greg Rice played late 2018

Fours Champions - To be completed

Mixed Pairs - Hayden Ward and Mary Leslie played late 2018

FOR THE YEAR ENDED 30 JUNE 2019

Our congratulations also go to Hayden Ward who has now been selected in the over 60s ACT State Team and Logan Watts our Junior Bowler has also been picked in the ACT State Junior Team to play in Victoria later in the year. We are proud to have bowlers both Junior and Senior from our club making ACT State Teams.

This year we were privileged to be able to host the Wyong Leagues Club interclub Bowls Visit. All five clubs had a great weekend of Bowls and fellowship and we thank the Leagues Club for their continued sponsorship. On a beautiful weekend we had three full greens of bowlers in uniform. It is felt that all who attended went home happy after a great weekend at Goulburn. We look forward to this year's interclub visit that is being held at Canton Beach.

It has again given us pleasure to support several charities including Cerebral Palsy, Legacy and The Crescent School.

We look forward to another successful and rewarding year in 2019/20 and the fellowship that has been established within the Wyong Group of clubs.

President

WINNING NO 3 STATE PENNANTS TEAM

Goulburn Railway Women's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Our Club has enjoyed another successful year. Our member numbers have continued to grow which allowed us to enter 3 grades of Pennants. In May, Grades 1 and 4 competed in the Regional Playoffs at Warilla. The No 1 side were successful; winning both District and Zone levels and bringing home our first ever Grade 1 Pennant win. They will progress to the State Playoffs at Kingscliff in August and we are excited to see how they fare. Our No 4s won Southern Tablelands District and were unlucky to be narrowly beaten at Warilla. This team was predominantly made up of members with less than 2 years bowling experience and we were delighted to see them progress to this level of competition.

Another 'first' for our Club was to win both Grade 1 and Grade 4 Pennant flags in the one season. Although our No 3 team did not win through they were very competitive and just narrowly missed out on progressing to regional level. We believe that our prospects for future Pennant success is very positive.

In February we again conducted our Rose Tournament which continues to be popular; attracting quality bowlers from across the State. This tournament is our showcase and provides an opportunity to demonstrate what our Club can achieve as well as exposing our membership to competition at a highest level. Financial success of the tournament was once again, due to sponsorship from New Gullen Range Wind Farm Pty Ltd and Goulburn Mulwaree Council. The continued support and involvement of these sponsors is very much appreciated.

At a General Meeting in March this year one of our Club stalwarts, Joyce Wade, was awarded the honour of Life Membership of the GRWBC. Joyce's contribution to our Club included: serving two consecutive 3-year terms as President; Delegate to the District; Umpire; Mentor and generally, our 'go to' guru with a wealth of knowledge of all things bowls. She is truly a worthy recipient of this honour.

Our participation in the Women's Bowls NSW State Carnival is ongoing. This year three teams travelled to the Tuncurry-Forster area and enjoyed some great bowls, renewed friendships; made new ones and competed against high calibre bowlers on slick greens. The popularity of the State Carnival is growing and there was a record number of entries this year.

In October Goulburn Railway Bowling Club hosted the inter-club visit from the clubs which operate under the umbrella of the Wyong Rugby League Club –The Goulburn men's and women's clubs worked together to plan this very successful event. The feedback we received was very positive and we continue to enjoy these annual gatherings with our sister clubs.

During the year we conducted a full range of District and Club Championships and wish to congratulate the following winners:

District Singles – Karen Marshall

District Senior Pairs – Barbara Edwards and Judy Cooke

District Grade 4 Pennant – contested the Regional Playoff at Warilla.

Goulburn Railway WBC Major Singles – Ann Redhead

Goulburn Railway WBC Minor Singles – Christine Croker

Goulburn Railway WBC Major Pairs – Ann Redhead and Karen Marshall

Goulburn Railway WBC Minor Pairs – Therese Apps and Margaret Jeffs

Goulburn Railway WBC Triples – Fay Moran, Ann Redhead, Karen Marshall

Goulburn Railway WBC Fours – Barbara Edwards, Jocilin Hayman, Gillian Lumsden, Judy Cooke

Goulburn Railway 3 Bowl Pairs – Glenis Bacon and Helan White

Goulburn Railway WBC Consistency – Gillian Lumsden

We continue to recruit new members and feel extremely positive for the future of our Club.

Avoca Beach Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Welcome all to my end of year report. It has been another great year for our club.

I would like to extend my thanks to all our Committee members for their contribution and hard work. Especially our Secretary Garry Allenby (I believe that Secretaries run Clubs). All completed their allocated position tasks and still put their hands up for many other tasks that needed to be done to ensure that our club ran smoothly throughout the year for the benefit of all members.

My thanks also go to all our volunteer helpers (including the ladies) who put their hands up to assist with the BBQ's, barefoot bowlers and all other tasks throughout the year. Also Bob Burnett who raised over \$3K by running our 100 Club, he also assisted "Richo" with the weekly raffles.

A special thanks goes to our Green Keepers, WRLCG secretary Louise Tully, Umpires (Arthur Hales (Patron), Peter Croke, Tony Pointing, Lex Clark, Graham Ross, Tom Kirkman, Garry Allenby and Lex Gemmell), our Coaches Garry MacFadyen and Dave Marsh and again to Keith Ferrier who regularly took control of the bare footers. We also cannot forget the great support we get from our mother club, the Wyong Rugby League Club Group.

A big welcome to our new bowlers and those who have transferred from other clubs. We again this year have managed to grow our membership over previous recent years!

We continue to work with our Ladies club, collaborating on gaining new sponsorships, selected tournaments and other inhouse initiatives.

Our Presentation Night was another highlight of the year, we had the largest attendance for several years and all enjoyed great service and food whilst congratulating all our new Club Champions and Finalists.

Our finances are healthy which has enabled us to hold more events with bigger prizes, provide many free BBQ's, subsidise clothing and again this year our membership fees.

We have held several Zone events with more to come this year. Congratulations to our Zone tournament participants and winners also to our members who were selected to represent our Zone.

A number of our Committee members including myself will not be standing for our 2019/2020 Committee. Many have served our Club for several years. Well done guys and I'm sure all members have benefited and appreciate your contribution!! The main reason for my decision is to allow for change with new thinking and ideas. I have been privileged and honoured to serve as your President for the past three

years.

Finally, I hope all members had a great year. I look forward to seeing our membership continue to grow, our bowlers competing socially and in our club championships, as well as zone, state and Australian events.

And the main thing, keep enjoying your time at the Australia's greatest and friendliest bowling club "Avoca Beach Men's Bowling Club "!

Avoca Beach Women's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Avoca Beach Women's Bowling Club has held pretty steady with its membership up until the end of June. However, there will be a drop in the new year as a few members have relocated and others unfortunately elected not to renew their membership. Our membership at the end of June is 89. Hopefully we will be able to get new members to replenish our membership.

District Events held at Avoca over the past year have been District Open Fours and Senior Fours, District Pairs, Mixed Pairs, and District Singles. District were extremely thankful that Avoca allowed the Mixed Pairs to be played on two Sundays in March and a big thank you to the Men's Club for allowing this play as they rearranged games to make this happen. Our Greens are always in great playing order and our Greenkeepers do a great job.

It has been hard to fill Championship events and Carnivals this year but this is across the board with all Bowling Clubs and it is the hard work of our Match Committee to enable these events to take place.

We selected to enter four teams in Pennants this year one in each Grade 1 to Grade 4. Our Grade 3 made it to the District playoffs and came in Third overall. It has to be noted that three of the four teams in Grade 3 at the playoffs were WRLC Clubs. Entries in District events has been less than in the past but our team of Lee Hallam, Bev Byrne, Coral Allenby and Alice Diamond made it to the Final of Open Fours and were the Runner Up to an Ettalong team.

Our Sponsors this year are Creightons, Living Choice, Treads Tyrepower, Central Coast Xtra Flooring, East Coast Storage.

Friendship weekend held at Goulburn Railway Bowling Club was a successful weekend for Avoca Club who were the winners overall.

A big thank you must go to all the staff of Avoca Beach Club who have always been more than willing to assist our Club in all the events that we hold through the year. Kitchen Staff, Bar Staff, Greenkeepers Management and particularly Louise in the Administration who is always a great help to the members and Management Committee.

Our thanks also to Wyong Rugby Leagues Club who allowed Free Green Fees during Pennants Season to all the Clubs under their umbrella.

Lawn Bowls is a great sport it allows friendship in bowls and is a great social outlet for many members. We look forward to another successful year and Good Bowling.

Bateau Bay Men's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Thanks to changes in vision and culture initiated in 2018, our club has seen success at the high-est levels culminating in a Zone 15 Pennant Flag in Grade 3. This success was the result of a three year plan implemented by the clubs Selection Committee headed by Craig Ward. This Vision has seen our club grow to become the largest Men's Bowling club in the Central Coast Area. New bowlers as well as an influx of experienced hands transferring is testament to the hard work of the bowls management and selectors. The entire competition side of the club has seen increased participation and the high level of that competition has improved and developed our players at all levels throughout the club.

Individual results saw Darren Vetter represent the club in the Champion of Champion Singles while Grant Spurway and Brett Williams in the Pairs. Grant and Brett making the Semi Finals our best performance in many years.

The Bateau Bay Club is blessed with many wonderful volunteers, without whom the club would struggle to exist. The cooperation of the Ladies Club sees managers for Pennants as well as umpires come from that organisation, and the men's club are thankful of the assistance. Our Men's club has many club Coaches under the organisation of Coordinator Trevor Chalklin as well as a roster of Umpires chaired by Dean Wilson. Our BBQ volunteers feed us well thanks to Bob Moore and crew. We also thank all who run the bowls office and undertake after match festivities. A great team to which the club is fortunate and privileged to have assisting.

Lastly we thank our Club Sponsors headed by Laura Van De Mortel and McGrath. The assistance financially of all sponsors have allowed the club to grow and improve in providing value and assistance to our members. New Uniforms have given us a fresh look and we wear it proudly. We also thank the assistance of The Wyong Rugby Leagues Club Group without whom our club would not exist.

The future looks bright for Bateau Bay Men's Bowling Club and we are all hoping for even greater success in 2020.

Bateau Bay Women's Bowling Club Report

FOR THE YEAR ENDED 30 JUNE 2019

Our year kicked off with Bateau Bay WBC once again hosting the Grade 3 State Pennant Play-Offs. We had 16 clubs (128 bowlers) from all over the State contesting the flag in the preliminary rounds on August 9 and 10, with finals played at The Entrance Bowling Club on August 11. With the hard work of both our Committee and members and the Men's Club, we were able to keep all spectators well fed and watered with a BBQ, pop up coffee stall and cake shop – thank you to all involved.

In September, we were thrilled to win the Challenge Cup. This is a District event introduced by District Past President Thelma Hutchinson in 1997 which enables players from Grade 4 or under to be Club selected to represent their Club. Bateau Bay had never won this event before, so we were extremely proud of our ladies: Mary Farrugia, Barbara Hallstrom, Elsie Felice and Desley Stephenson for bringing the trophy home. The winning Club of this event then hosts the following year, and we are eagerly preparing for this now.

We are also extremely proud of one of our junior members, Chelsea McKay. Chelsea became a member of our Club just 3 years ago and has already been picked for numerous State and Zone junior representative teams, most recently in the NSW Junior squad to contest the 2019 Australian Junior Championships.

Our membership has gone from strength to strength over the last 12 months and as at June 30 stood at 118, including 2 juniors. We welcomed 24 bowlers to our Club this year, including 21 brand new bowlers, who have embraced both the competitiveness of our sport and the wonderful comradery and friendship found at Bateau Bay.

Our Pennant season, whilst not as successful as we would have liked, did see Grade 4 miss out on play-offs by the merest of margins and gave our newer bowlers the chance to test their new skills on venues around our District and meet bowlers from other Clubs. We then hosted the post-sectional playoffs for all grades.

In May we celebrated the end of President Jenny Cook's presidency with an official President's Day event, with representatives from Women's Bowls NSW, Central Coast District and President's or representatives from most Clubs in our District. The day was a wonderful celebration of Jenny's 3-year term (the maximum allowed), which she stepped down from at our recent AGM.

We now look forward to another exciting year and thank the whole the team at Bateau Bay Bowling Club for their wonderful support and assistance in our endeavours. There is no doubt that our success with events hosted by BBWBC is due to this great relationship.

President
Desley Stephenson
