

WYONG WOMENS BOWLING CLUBS'

100 YEARS CELEBRATION

WYONG LADIES 100 & STILL GOING STRONG

On Friday 20 September, the Ladies of Wyong Bowling Club celebrated a major milestone in their glorious history, their centenary year.

A gala presentation was held at the club with players past and present along with some very special guests to mark the occasion.

The special event was opened with a video message from past president Mrs Joyce Grace, who herself passed her own centenary landmark last year.

It was a most special afternoon for those in attendance and we offer our sincerest congratulations to President Laurel Andrews and all of those of her team involved in making the event so successful.
